Important Stuff

How do I get paid? Once you've chosen your payment method in the Affiliate Area, you're all set to get paid on the 1st business day of every month for the prior month's referrals. So if you send 2 orders our way in August, you'll get a \$10 payout on the 1st business day of September! (Most transfers will be seen in your account within 3-5 business days)

Is there a minimum amount I need to meet before I get a payout? Nope! You'll get paid each month whether you refer one person or twenty!

Do people have to use the URL AND discount code for it to count? No, our system will track BOTH your URL and promo code, so customers can use either one!

What happens if someone signs up for a monthly subscription? Jackpot! If a referred customer signs up for a monthly subscription service, you'll receive a \$5 payout for their next 12 orders as long as their subscription remains active!

How to Maximize Your Referrals with CB Supplements!

(Aka How to Make More \$\$)

We know you rock as a CB Supplements affiliate but we all have those creative blocks sometimes and could use a few new ideas. So here are some easy ways to incorporate CB Supplements into posts that can help boost your referrals (and your bank account)!

Post a coffee shot

Us coffee drinkers are creatures of habit which is actually great to get into a routine of using collagen in coffee! Tell us what you use in your coffee to help you get going in the morning.

Check out @momleta.centralfl on Instagram!

Share a pre/post workout routine

A lot of people share their fitness routines but what about pre/post routines too? Show how you prepare for the gym or cool down after a workout (*hint: collagen shakes!).

Check out our Affiliate Stephanie!

Add a Health & Wellness IG Story Highlight

You can even make this more specific, but adding tips and health ideas for your audience is a great way to give them value without seeming salesy. (And you can subtly add your discount code in!)

Write a blog post

If you happen to be a blogger too, blog posts are a great way to incorporate your custom URL to boost your referrals. You could turn several of the ideas above into blog posts as well! (What I Eat in a Day, My favorite Healthy Collagen Snack, The Best Pre-Workout Routine, 5 Great Ways to Add Collagen to Your Diet, etc.)

Recreate one of our collagen recipes and show your audience a yummy + healthy recipe

In case you didn't know, we have 50+ collagen recipes (and growing!) on our website! Why not recreate one and show your audience a healthy recipe to try?

Find them here →

Share your testimonial

A great way to connect with your audience is to share your health journey. What have you improved? What did you struggle with? What helped you? Remember, authenticity is KEY! Check out our founder's testimonial here: <https://cbsupplements.com/blog/my-collagen-testimonial/>

Do a "What I Eat in a Day" video

Reels or TikToks are great for this trend. People love to see realistic videos of how to eat and drink healthier.
